

Denton Gardens Improvement August 2021

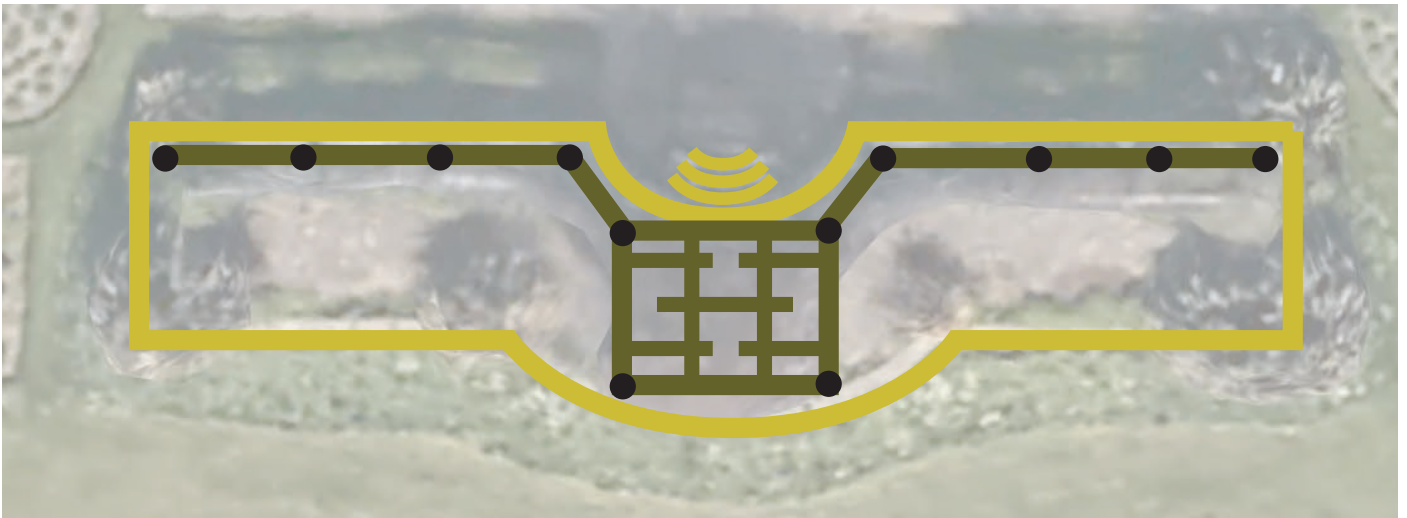

Part 1. Extend & restore and replant the pergola, add seating and install a centenary monument.

The Pergola as it is now.

Yellow outlines the shape of the existing raised stonework.

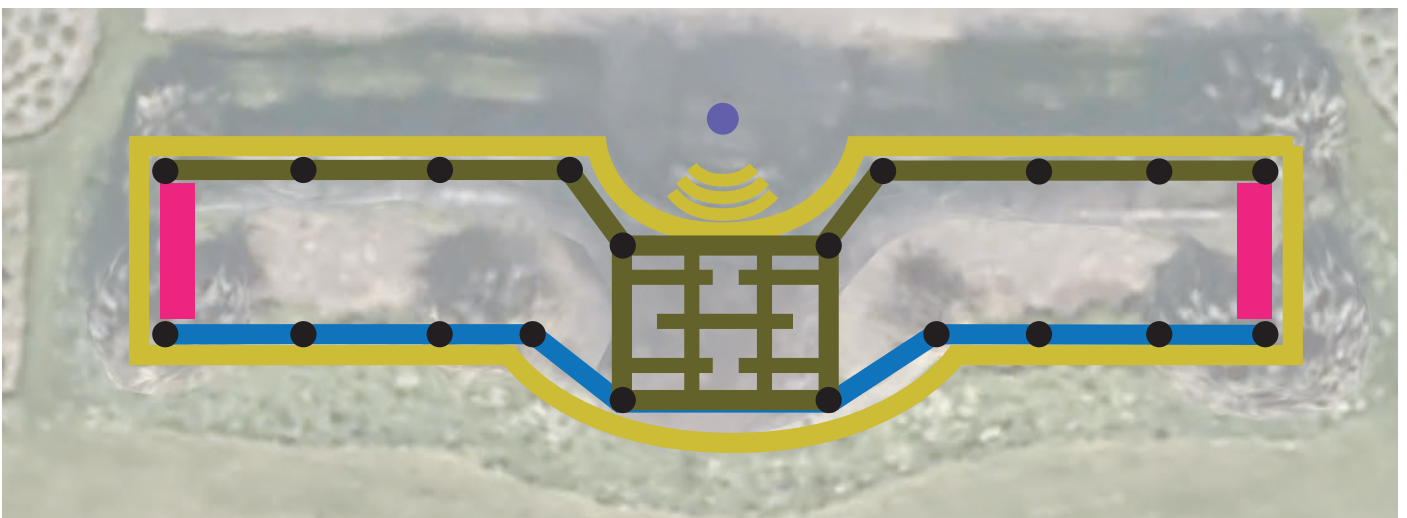

Green and black shows the extent of the existing pergola.

Magenta - added seating

Purple - monument commemorating the centenary of Alderman Denton's gift.

Blue - extended pergola timberwork

Part 2. Repairing the hard landscaping and pointing existing stonework in the sunken garden.

Areas that need particular attention are circled in red.
